

## Painters and Decorators

Eptec is a specialist engineering contractor in Asset Preservation and Rehabilitation. It has expertise in engineered solutions using resin technology to provide corrosion protection, concrete rehabilitation, glass reinforced plastics, water proofing's & linings and thermal insulation. Eptec was founded as a family Company in 1997 and has grown to have strong presence in Defence, Oil and Gas related projects, as well as Shipyard and Marine services.

Expressions of Interest are sought for persons with relevant skills and experience to start as a Painter / Brush Hand. These persons will be trained in Eptec's processes and will perform duties such as painting in confined spaces, removal of blasting garnet and other tasks as required. Must be comfortable working in confined spaces.

Persons experienced in Industrial Painting and Blasting possessing certifications such as confined spaces, working at heights and scaffolding will have an advantage and are welcome to express their interest for this role or others that may be available nationally.

### **Minimum Requirements**

- General Construction White Card or equivalent
- Ability and/or willingness to learn industrial painting and blasting

The successful applicants will be required to pass a pre-employment process including medical assessment specific to site/task requirements, reference checks and security clearance. For this opportunity we are seeking Australian Citizens only as we are restricted by site security protocols.

Applicants must also be local residents to Adelaide.
