Online participation Protocols

- You must be logged no later than 10 minutes before the AGM starts (i.e. 0950 NSW Summer time) to enable the Returning Officer to confirm that you are a Life or Financial Ordinary or Associate Member of the SAA. It is your responsibility to ensure that you are financial prior to the meeting. Only Life, Ordinary & Associate members of the SAA will be allowed to participate online, no observers will be allowed to join the meeting virtually.

- On joining the conversation, you must display your Christian and Surname, so you can be identified easily. Anyone not abiding will be removed from the online panel, by the Moderator.
- When votes are called for on a motion or an amendment to a motion, you will be asked to vote using the polling function on zoom. If you are technologically challenged and cannot do so simply raise your hand. Please do not speak so the Returning Officer can concentrate on counting the number of YES/NO/Abstaining votes.
- Be patient, if you want to speak, raise your hand, or use the hand icon on Zoom and wait until the Chair directs you to speak. Members who speak over others will be in the first instance warned by the Chair; on the second instance they will be muted for the rest of the meeting by the host.
- Read the constitution before the AGM on the rules and on speaking on a motion or proposing changes to a motion.
- Remember that only Life and Financial Ordinary members may vote.
- Remain flexible.

4. On completion of the 2026 AGM the success or shortcomings of the Zoom meeting will be reviewed by the National Committee. Members are encouraged to provide feedback after the AGM.
