

A national contractor in the Marine and Construction industries is seeking persons with a marine or defence background to be trained as Industrial Spray Painters / Abrasive Blasters. Positions are currently available in Perth, with other locations including Adelaide and Sydney becoming vacant next year. Opportunities exist to progress your career into Team Leader, Supervisory and Management roles.

Requirements:

- Physically fit and able
- A good work ethic, reliable and motivated
- A willingness to learn and commit to the company long term
- Able to safely undertake high risk work including working in tight confined spaces
- Possess a Construction White Card
- Be an Australian Citizen

Full training is provided including in-house competencies, on-the-job training as well as high risk work certification.

The successful candidate will be required to pass a pre-employment process including medical assessment and security.

The role involves shift work on a roster which is anticipated to run Mon-Sat each week with overtime.

Rates of pay are above Award in accordance with registered Federal Enterprise Agreements, with shift loading and penalties.
